Rochester Area Climate Initiative would like to invite you to the following event:

"Community Outreach In The Time Of Climate Change"

(Source: outside.vermont.gov)

Date: Saturday, November 7, 2026.

Place: Valley HUB (formerly Rochester High School),

222 Route 100, Rochester, VT.

FREE and OPEN TO THE PUBLIC, Free Solar Panel Raffle.

Agenda

- 1PM – 2PM = Two Films.

Film #1 is 16 minutes. "Climate Outlook", a narrated review of Vermont specific data from NCA5, National Climate Assessment published in 2023. Regional climate projections and analysis in an easy to follow and understand video & text.

Film #2 is 52 minutes. "Earth Emergency", winner of the 2021 US Northeast Film Festival Best Documentary. This film examines four of the major warming feedback loops threatening our planet.

- 2PM – 3PM = Panel Discussion on stage with local government and organizations.
- 3PM 4 PM = Meet and Greet the panelists, representatives from various local organizations and vendors for some one-to-one time. Stroll around the room, and you will find free food and beverages to enjoy too.
